**Customer Notice**

GENERALLY A PERMIT IS NOT REQUIRED. MANY AREAS ALLOW UP TO 100 SQ. FT.  
IF A PERMIT IS REQUIRED, IT WILL BE YOUR RESPONSIBILITY TO OBTAIN ONE

A minimum of two feet of working space is needed on all sides of building to provide room for on site construction. Failure to make this provision may result in a re-delivery charge. This is also the case if installation appointment cannot be kept and is not cancelled in advance.
